- Agile
- Angular
- Git
- AWS
- RESTful APIs
- Scrum

OBJECTIVE

Results-driven Software Engineer with 1.3 years of experience in full-stack development, adept in Angular,Node.js, NestJS, and Java. Successfully delivered projects leading to a 5-8% performance boost and a 15% decrease in operational costs. Eager to leverage expertise in Software Development technologies to drive innovation and deliver exceptional results.

PROFESSIONAL EXPERIENCE

Software Engineer | Compumatrice Multimedia Pvt Ltd, Pune | Sep 2022 – Nov 2023:

– Spearheaded the development and integration of 10+ web application components and microservices using Angular, NestJS, Node.js, and Java, ensuring seamless functionality and user experience.

– Collaborated cross-functionally to improve system performance by 5-8%, reducing server load and enhancing user satisfaction through optimized technology solutions.

– Engineered streamlined technology ecosystems, resulting in a notable 15% decrease in operational expenditures and increased scalability of legacy platforms.

– Executed a proof-of-concept initiative integrating Twilio, NestJS, Angular, and Dialogflow, poised to deliver potential annual savings ranging from 5-20%.

– Reduction in testing duration while enhancing overall system efficacy.

PROJECTS

– Scalable Web Application for Remote Patient Monitoring and Engagement in Healthcare

– Communication Application Project

– Video Streaming Platform

CERTIFICATIONS

– Java Full-Stack Development Training: QSpiders, Wakad, Pune.

– DevOps Professional Certificate by PagerDuty and LinkedIn.

– Core Java and Advance Java Certifications: JavabyKiran Institute, Pune.

– Accenture Programs: Accenture Nordic Developer Program, Accenture Virtual Coding Experience.

– AWS Essential Training for Developers.

– GitHub Professional Certificate.

EDUCATION

– Bachelor of Engineering in Computer Engineering – 2022
Matoshri College of Engineering and Research Centre, Nashik.

– Higher Secondary Education – 2018
K.T.H.M College, Nashik.

STRENGTHS

– Tech Savvy: Adept at learning and applying new technologies, including Java, and various cloud platforms.

– Adaptability: Quick learner, adept at adapting to new technologies.

– Solution-Oriented: Proven ability to identify and resolve problems, optimize performance, and deliver impactful results.

LANGUAGES KNOWN

– Marathi (Native), Hindi, English.

ADDITIONAL INFORMATION

– Eager to leverage expertise in Node.js, Angular, NestJS, DBMS, and Java to create cutting-edge web applications that surpass industry standards.

– Committed to clean code, user-centric design, and continuous learning.

DECLARATION

I affirm that all information provided is accurate to the best of my knowledge.
